Contents

Research article

Md. Morsalinur Rashid, Md. Ataur Rahman, Md. Abul Kashem, Md. Ibne Siam Joy, Arpita Hossain Mukta, Armin Anwar and Mohammad Zabed Hossain - Eco-geographical variation in leaf functional traits of teak (*Tectona grandis* L.f.) across Bangladesh 93

Vivekanand Bisweas - A new species of ant-mimicking jumping spider genus *Myrmarachne* MacLeay, 1839 (Araneae: Salticidae: Myrmarachninae) from southwest region of Bangladesh 107

Arghya Paul, Md. Ramiz Uddin Miah, Md. Raihan Talukder, Tasnim Tabassum & Md. Shamim Hossain - Efficacy of some biorational insecticides on cucurbit fruit fly (*Bactrocera cucurbitae* Coquillett) infesting sweet gourd 115

Kazuma Fujisawa and Tomohiro Kondo - Effects of rice bean (*Vigna umbellata* (Thunb.) Ohwi & H. Ohashi) on growth of neighboring llants 125

Abu Nasar Md. Aminoor Rahman, Md. Saddam Hossain, Ziban Chandra Das, M. Nazmul Hoque, Tima Tisa Mallick and Khaled Hassan Shuvo - Production practices, disease status, constraints, and economic performance of commercial pigeon farming in Bangladesh 135

Asib Ahmed, Hriday Dey, and Md. Juhayr Akbar - Spatiotemporal dynamics of land use/land cover change and landscape fragmentation in the chattogram hill tracts, Bangladesh: implications for ecological connectivity 145

Mahjabin Mazib, Md. Taimur Islam, Abu Naser Md. Aminoor Rahman and Md. Golam Haider - Effects of dietary acidifiers on body weight gain, bacterial load and major organs of swiss albino mice 161

Mashuk HA, Zebunnesa and Rahman AHMA - Effects of industrial effluent irrigation on growth and yield components of aman and boro rice in a dyeing-industry-affected command area 171

M. H. Ashik, M. A. Mannan, M. A. Karim, M. Ahiduzzaman, M. Akter and M. T. Akter - Agronomic zinc management enhances zinc partitioning, grain retention, and protein quality in biofortified rice varieties grown on zinc-deficient soil 181

Md. Faruq Hasan, Md. Rayhan Faruq Gazi, Md. Abu Sayed Mondol, Susmita Sarmin and Md Abdul Aziz - Farmers' information needs for good agricultural practices in Dinajpur district 193

Review article

Proma Ghosh, Ishrat Jahan Maliha, Md. Shamim Hossain and Md Ruhul Amin - Beekeeping potential and floral resource availability in Bangladesh: an ecosystem-based approach 207
